Sub Rolling down of locomotives/train

Ref: 1. Railway Board's letter No 2022/Elect(TRS)/113/Safety Misc dated 21.12.2023

2. This office letter No L 253 AC 136 C dated 04.01.2024

Recently, there have been rolling down case of BOBY/ N in Northern Railway, where the stabled train rolled down with loco. Prima facie, proper instructions and procedures were not followed by the Operating staff and crew for stabling of the load and loco.

Earlier, instructions were issued by Railway Board to avoid rolling down/backing of locomotive/train and stabling of the vehicles/loads/trains/locomotives at the station/yards. Same were circulated to all divisions vide letter under reference 2. Copies of letters related to these instructions are enclosed for ready reference.

It is necessary to reiterate these instructions once again to counsel the loco running staff through CLIs/supervisors/officers to avoid such type of incidences.

In view of above, special safety drive to be launched for 15 days to counsel the crew on the above subject and ambush checks to be carried out to ensure that loco running crew is following the Railway Board instructions properly to avoid rolling down. All staff must be covered during the drive.

Compliance of the above instructions may be ensured and report to be submitted in following format:

1. No. of CLIs/Officers associated in drive:
2. No of ambush checks carried out during drive:
3. No of irregularities noticed during drive:
4. Action taken to rectify irregularities:
5. No. of staff counseled (cadre wise):
