Sub:Road Learning of Loco Running Staff

Ref: This Office letter of even No dated 20.01.2022, 07.07.2022 &
10.04.2023.

This office had earlier issued letters (as mentioned in reference) related to road learning of loco running staff. But it has been noticed that at divisional level, these instructions are not being followed in some of the cases for initial road learning as well as during renewal/extension of road learning.

There is a need to reiterate these instructions related to road learning of loco running staff, so that there is no complacency on the part of road learning, which may affect safe train operation. Copy of HQ's instruction, which was issued vide letter of even no. dated 10.04.2023 is enclosed for ready reference.

Please instruct the concerned supervisors/CLIs/CCCOR to strictly adopt the procedure, while giving road learning to loco running staff and ensure that road learning is given as per guidelines issued. Proper record to this effect may also be maintained.

DA- As above

(H.M.Sharma)
Chief Electrical Engineer (Op)
