

Loco Pilot Instruction No. 05/2025

Sub : Proper whistling by crew as per rule.

It has been observed that some crew members do not follow the whistling rules properly, which increases the risk of accidents on the railway track.

All crew members are strictly instructed to adhere to the whistling rules while:

- (i) Approaching level crossings.
- (ii) Passing through stations.
- (iii) Approaching curves and cuttings, and to follow all whistle boards installed in the section.

Strict compliance with these guidelines is mandatory to ensure safety.
