विषय : Doing Sign On and Sign off in KIOSK only

Recently it was observed by HQ that 17% cases of Sign-ON /Sign-Off are done without BA testing. On study it was found that the Sign-ON /Sign-Off which were done manually and then entered in the system are treated as Sign-ON /Sign-Off done without BA. Further it is observed that when all the Sign-ON /Sign-Off done on KIOSK are shown as BA done. Hence it is instructed to all LP, ALP & LPS that they should do their Sign-ON /Sign-Off in KIOSK only. It is mandatory. Irregularities noticed in this regard will be taken severely.

All CLIs especially of TAE(MWPunwatkar), GGS(TM Hedau), MJRI(Bharne), WR(Anil Kumar), JNO(Vinay Premi), TEO(AKG Gupta), DHQ(YRDhote) and BTBR(MKGautam) to ensure this and submit feedback of the progress after one week.

And in Major depot of NGP, BPQ and Amla CCCOR will ensure and submit feedback of the progress after one week
